

# Selection Centres for Specialty Training

## A video resource for Specialty Applicants and Panel

This video shows how different Selection stations work, best practice tips from candidates and includes reflection from consultant interviewers on what they are looking for and how they felt the candidates performed.

In order to access the session, you will need to be registered on the learning @ NHS Wales learning portal.

### Step 1 - Registration

To create an account on the Learning@NHSWales portal, go to the following link:

<https://learning.wales.nhs.uk/>

To create an account you will need to use one of the following emails:

[someone@cardiff.ac.uk](mailto:someone@cardiff.ac.uk)

[someone@swansea.ac.uk](mailto:someone@swansea.ac.uk)

[someone@doctors.org](mailto:someone@doctors.org)

[someone@wales.nhs.uk](mailto:someone@wales.nhs.uk)

(To register with [wales.nhs.uk](https://wales.nhs.uk), email: [elarning@wales.nhs.uk](mailto:elarning@wales.nhs.uk) follow the steps on the login page)

### Step 2 - Accessing the Video Clips

If you have already created a username and password, you can access the video clips directly or go back to step 1 to create an account.

**To find the video clips:**

#### **Stage 1**

- Click the "Courses" tab on the toolbar.

#### **Stage 2**

- Occupational Knowledge and Skills - Selection Centres for Specialty Training DVD – 2014 edition.
